Dear Vickie and Jim,

We are having some summer weather again and it is nice to wake up to a beautiful sunny morning. Yesterday I went over to Mary's and she and the baby and I visited Alice deTenley who lives in an apartment a short ways from Mary's. When we went back to Mary's, and after the baby's nap we went out to the pool and Mary sunbathed and I walked around with Diane. She loved going out on the dock and watching the boats and the ducks, also the people swimming in the pool. When I had to leave for home she cried and wanted to go with me. I am going to have her tomorrow as Mike is going to announce his candidacy for county council. He wants Mary to be there also which will be held at the county city building. The primaries are in September and the election in November and I certainly hope he will win this time, and I guess he has a good chance. After he has finished with the interview they are going to the races with another couple so I will keep Diane over night and hopefully the rest of the week-end.

Dad keeps his new computer at the office and uses the old one at home as he likes studying alot of different problems. I use it also when I am checking the statements and that way I don't have to think.

I have a lot of envelopes to address for Mike which is fun as long as I have the electric typewriter. I told him the one thing I won't do is telephoning. I just hate calling people and reminding them to vote for Mike.

I am going to get my hair fixed this morning so had better stop and I will write more later.

Love,

Mom.

Carmen is getting along just fine.
